

Sponsorship Opportunity

Association of Energy Engineers - Kansas City

Chapter Corporate Sponsorship

Is your company looking to position itself in front of energy industry professionals around the Kansas City area?? The Association of Energy Engineers – KC Chapter is looking for a corporate sponsor for 2019. This is a great opportunity to highlight your company’s successes to local energy experts. The sponsorship has many benefits, including monthly meeting recognition and a dedicated section on our website. See below for details.

Sponsorship Includes:

- Business name and logo included on website, chapter emails and monthly chapter meeting description
- Dedicated website section that highlights recent company news, case studies, and other information
- Five-minute presentation prior to chapter meetings

Pricing Details

Pricing is \$2,000 for a 12-month sponsorship, or \$1000 for a 6-month sponsorship. Our chapter will work with you and your company to develop website material for great advertising that leads to more business! Please reach out to one of your board members below for more information and to get started!
